Dear Folks,

God bless one and all on this most wonderful day when we celebrate the Lord's resurrection. Such a week has preceded this glorious day. Palm Sunday with the great entrance to Jerusalem on the back of an ass. It was truly the King to claim his own in peace.

Betrayal by Judas would follow and then corruption in the ranks of the authorities who wanted him removed... by death.

If the walls could speak they would have reverberated... "Crucify Him." More subtle words would follow, "Father, forgive them...", "This day you will be with me in paradise." "It is finished." "Truly, this was the Son of God." It was quite a week.

Many thanks to Mark Forest for his wonderful Holy Hour in Hymns to the Lord. It was a start, and helped us carry along through the steps of Holy Week. As I am composing this letter on the Tuesday of Holy Week, I have little to say on the coming Triduum. More on that next week. Let it suffice to say thank you to the many who came to Confession during Lent. Especially, the "Big Fish." May your marriages resound as we hope will happen to all who are single.

I recall the story mentioned by one of Jesuits on the Communist suppression Russia. The leader of the ward had all the villagers brought to the square where he put the priest up on the podium near him. He spent hours promoting the party line to the villagers all the while suppressed in silence. No one said a word until the priest spoke. All he mentioned were short lines. "Christ has died. Christ has risen. And, Christ will come again." The crowd screamed in ecstasy. In the Socialist times we live, let us do the same as we pray for one another.

Congratulations to our new brothers and sisters in Christ who celebrated Sacraments at the Easter Vigil.

Thank you for your witness that renews the faith of your parish family

We joyfully welcome those who have joined our parish family by entering into our Catholic Faith through the Sacraments of Baptism, Eucharist, and Confirmation:

April is Child Abuse Prevention Month

"During National Child Abuse Prevention Month, we draw special attention to the extraordinary responsibility we all share to protect the innocence of childhood and guard against child abuse in its many forms. We also highlight our important obligation to accompany those who have endured abuse in their lifelong healing process.

We must work together to ensure each and every child is valued and protected. I invite all the faithful to stand with us in our efforts and prayers to protect children from any form of abuse. Through the intercession of Mary, Mother of God, may Our Lord Jesus watch over and protect all children and console and place those wounded by abuse in his heart."
