## 11TH SUNDAY IN ORDINARY TIME

JUNE 13, 2021

"We are always courageous, although we know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight.

(2 Cor 5:6-7)

### LIVE THE LITURGY

#### Inspiration for the week

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest.

### The Ministry of Praise

St. Francis de Sales' group of dedicated people of prayer, is on its third decade of service. The Ministry of Praise is a Spiritual Ministry in which prayer, joys and suffering are offered to God for the salvation of souls. Membership includes the sick, the handicapped, the homebound and senior citizens. We are currently inviting anyone interested in joining our team of pray-ers to contact Leslie Sheldon at the parish office [lsheldon@saintfranciscparish.org](mailto:lsheldon@saintfranciscparish.org) (please designate Ministry of Praise on e-mail). Those who wish to have concerns prayed for may write their prayers and slip them into the Ministry of Praise box attached to the wall in the Narthex. You can also visit our webpage at [www.saintfranciscparish.org/prayer-requests/](http://www.saintfranciscparish.org/prayer-requests/) and fill out the form and send the request on-line.

Dear Folks,  
 Though I am writing this letter a week early as the bulletin editor is going on vacation I want to note that this Sunday, June 13th, is the final Mass for the 2pm time slot. It also serves to bring back the "Sign of Peace" at Mass and receiving Communion at the Rail.

In setting the painting of St. Martin De Porres some folks as Diane Waller for future designs in her work in the Church. First, the choir loft will host a painting of St. Cecilia, honoring the music program of the parish. Two paintings, one by the holy water font will be a painting of St. Elizabeth Ann Seton. On the opposite side will be St. Faustina and Divine Mercy. Two statues will be used to stand above the confessionals. One will be the Cure of Ars, patron of Confessors. The other is up for grabs. Other statues above the altar will be praying angels facing toward each other and a scene at the top of the altar wall... the scene is up for grabs. I asked the good artist to be careful not to finish everything in two years. Nine and a half years will suit my calendar... I retire at the end of that time and I would like to leave the assignment with creative designs offered by the parishioners. Please stay tuned.

Next week is Father's Day. In that bulletin/parish letter we will submit the annual list of songs that sing of fathers. We are open to any suggestions. God bless one and all. Let us pray for one another

**Collegiate answer:** The Japanese Navy sported one Catholic in her ranks in World War II. His name was Admiral Shinjiro Stefano Yamamoto. He was not the famed Isoroku Yamamoto that planned the Pearl Harbor attack. Shinjiro was a decade older and himself died in 1942.

**Collegiate Question:** Why are people in the public eye said to be 'in the limelight'?

## SHARE SUNDAY

The next St. Francis de Sales Share Sunday will be held this weekend, June 12/13.

The Knights of Columbus Share Sunday program has donated over 8,000 pounds of food and \$7,500 in Checks/Cash/Gift Cards to the Catholic Charities food bank in Leesburg from 7/1 to 03/13. This would not have been possible without the generous donations made by you!!! We have another opportunity to help those less fortunate. The first weekend of every month the bags are passed out after every Mass and then collected the following week full of donated food.

## Altar Flower Arrangement Dedication

NEW!! St. Francis de Sales is offering Altar flower dedications beginning the weekend of June 12th. Flower arrangements may be dedicated in "loving memory of" or "in celebration of" a particular family or individual (living or deceased).

For two weeks, a \$100 donation sponsors two Altar Arrangements and an announcement in the bulletin.

Should you wish to dedicate a flower arrangement, please contact Amy Harrison for more information by email [a.harrison@saintfrancisparish.org](mailto:a.harrison@saintfrancisparish.org) or call the parish office (540) 338-6381, x104.

Payments will be accepted by credit card through Parish Giving by visiting [www.paritygiving.org](http://www.paritygiving.org) and payable by check to St. Francis de Sales (please note altar flowers in the memo line).

## Ushers Needed

*Are you willing to serve?*

To better facilitate our Masses and assist and greet our Mass goers, the Parish has an Usher Ministry. The Usher ministry currently needs additional members and anyone who is interested should contact Pat Orender. It is realized that some people's schedules prohibit them from committing to attending a particular Mass on a regular basis and are not able to serve as ushers. However, we are flexible you may only be able to serve one mass a month that's not a problem.... We will accept all who are willing and interested helping.

Individuals and families are encouraged to participate. There are no requirements except for a friendly smile and a willingness to welcome all to our faith community. Ushers (Adult) assist in all masses by taking up the collection, assuring the gifts are ready and carried to the celebrant (after COVID retractions are lifted), distribution of bulletins, and other duties as appropriate. When available to assist with funerals, weddings, or any special occasions that occur in the church. There are no scheduled meetings, only those called on an as-needed basis.

## Compassion Coupled With God's Grace

By Susan Pace Gilbert

*"When darkness veils his lovely face, I rest in his unchanging grace;  
in every high and stormy gale, my anchor holds within the veil."*

This lyric from the song "My Hope Is Built on Nothing Less" was written by Edward Mote(1797-1874). It aptly describes our steadfast hope and faith in Christ when we are tossed about in the stormy seas of life. Yet, Christ is there for us, reaching out his hand to save us from drowning in disbelief and stilling the storm around us.

By the grace of God and with the compassionate care from others, many lives were saved during the lengthy COVID19 pandemic. Some of the acts of compassion were publicized by media and others were private gifts of selfless service during serious illness known only to the individual assisted and to God. These acts of care with thoughtfulness and generosity are greatly appreciated. I am "speaking" from personal experience, because our son got COVID19 from working his part-time job at Auto Zone and then I got it caring for him.

Friends and family sent nourishing soup, care packages, cards and healing prayers to help us during a lengthy recovery period. We will always remember the love and support we received during a difficult time in our family life. We pray for God's graces to be bestowed upon these people.

Illness of a more serious nature draws us closer to God. I read and prayed a lot, including a book entitled: Nothing Short Of A Miracle - God's Healing Power In Modern Saints, by Patricia Treece. The stories about miraculous healings because of prayers to our Catholic Saints provided daily hope and courageous inspiration. Veneration of individual Saints through novena prayers over nine days brought amazing results in numerous documented cases.

The Spring 2021 Franciscan University of Steubenville Magazine arrived by post, with a lead article entitled: "Asking for Miracles - Experiencing the Gift of Healing", by Emily Stimpson Chapman. This article includes stories about alumnus's own personal healing experiences. These healings are more recent testaments to the power of prayer and God's continual presence in our lives. (This issue should be available to read on-line eventually, because other back issues are.)

We can pray to Our Lady of Perpetual Help for the seriously sick, as follows:

*"Our Loving Mother of Perpetual Help, (Name person) is seriously sick,  
May he/she find in each day renewed strength and  
a deeper faith and trust in you. Help him/her to  
develop a greater awareness of your presence in every area of life.  
May he/she turn to you in prayer and accept the  
love and support that family members and friends so want to give.  
And Lord thru Mama Mary Our Mother of  
Perpetual Help, if it is in the Father's plan, restore  
health to this seriously sick person so that he/she  
may continue to serve you as a witness to your love  
and healing power. AMEN"*

After a lengthy illness and recovery, we decided to take a few days and go away to enjoy a change of scenery, to celebrate our 20th wedding anniversary (and 25 years in friendship). We explored the town of Abingdon, in Southwest Virginia. When biking on a sunny, beautiful day on the Creeper Trail, (so-named because of the train which used to climb the second highest mountain in Virginia), we encountered Christ in Good Samaritans, when one bike got a flat tire. Kind people offered their assistance, reminding us of the goodness in others along the path of life. Once again, we truly appreciated the offers of assistance, especially on our wedding anniversary, when we were further from home.

I offer these personal life experiences as "food for thought". How do we respond to a person in need of assistance - be they known to us as a friend or a family member, or a stranger encountered on the road to Emmaus, when a Good Samaritan comes along? How do we treat others in our daily encounters, even when it is not a worldwide pandemic? Pope Francis would like us to follow the Golden Rule - "Do Unto Others As You Would Have Them Do Unto You."
